BOOTHS

HOMEMAKERS AND COMMUNITY CLUBS: A very significant part of the Fair is the participation of Homemakers and Community Clubs. Their booths depict the life, interests and concerns of the communities. The displays show hours of hard work and devotion to their families, an appreciation of beauty and utility and a dedication to volunteer work. The energy, enthusiasm and optimism of our youth are exhibited in the displays by numerous clubs and organizations in our schools.

FAMILY AND COMMUNITY LIFE: Exhibits relate to a stated theme and demonstrate desirable features of family and community living.

YOUTH DIVISION I: Vocational Education

YOUTH DIVISION II: Displays of other school and youth groups. Exhibitors assume all responsibility for placing and removing exhibits, furnishing all display apparatus articles and products. Education placards may be used for illustration or emphasis. Only one exhibit will be accepted from any club. In a division with one entry, second place will be awarded.
